Dear parent/guardian,

Newhaven Primary School is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Curriculum Contributions remain at **\$240** per child. This amount covers items listed overleaf, and includes all stationery items that your child will require during the year. Teachers will order and distribute items as required (our preferred option), unless you choose to purchase your child's stationery supplies independently from COS. Contributions ("school fees") are **payable via Qkr!**

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Sharyne Munday
Principal

Andrea Cole
School Council President
